3. SOFA status members are prohibited from engaging in any activity that implies Federal (i.e. military services) endorsement of a fundraising event. Members of the Armed Services may not actively participate in fundraising while on duty, in uniform, or while at the workplace. SOFA status members who participate in fundraising events must do so in their own individual capacity, and not as representatives of the Federal government.

7. Door-to-door solicitation is largely prohibited in military housing areas. This prohibition exists to protect the security of the installation, avoid high-pressure sales techniques, and provide military personnel and their families a peaceful living environment free from unwanted intrusions. As such, access to military housing for door-to-door solicitation is and will be highly restricted.
