Glossary of Terms

eForm: Provides transmission of the electronic DD Form 2648 (eForm) into a Service member's official military personnel file and the TAP Data Retrieval Web Service, which provides data gathered by TAP to the Military Services.

Individual Counseling (IC): Includes a personal self-assessment/ ITP to identify the pathway that determines the Service members' level of transition assistance needed and post-transition goals in accordance with Section 1142 of Title 10, U.S.C.

Pre-Separation Counseling: Provides counseling on various benefits, programs, services, tools, and other important resource entitlements for which they may be eligible pursuant to Section 1142 of Title 10, U.S.C.

Tiers: Prior to Individualized Initial Counseling, the Marine will initiate a Self-Assessment/Individual Transition Plan (ITP), designed to address their needs, and ensure they are placed in one of three Tiers (Tier 1, 2, or 3) by the Transition Readiness staff member per reference (a). The Tier is based on the post separation goals of the transitioning Marine.

Tracks: The track is a two day workshop regarding preparation for employment, education, vocational training, or entrepreneurship.

Career Readiness Standards (CRS): A set of common and specific activities and associated relevant deliverables (documented as part of Capstone completion), which must be achieved to demonstrate Service members are prepared to transition effectively to pursue their personal post-separation higher education, vocational training, and civilian employment goals.

Capstone Review: Completed by the transition staff, capstone is the culmination of the transition process and occurs NLT 90 days preceding anticipated separation, retirement, demobilization or deactivation.

Commander's Verification: Completed after Capstone Review phase. Mandatory phase in which eligible Service Members provide CRS to the commander or designee.

eForm Token: Token "refers to the "Automated Email Notification" that is sent by transition staff, which gives the Commander/Designee access to their Service Members' eForm. The eForm token must be submitted by the UTC. Token Requests must include Service Member's first and last name, EDIPI number, and CO/Designee email address.
