## Happy Father's Day!

This Father's Day, we honor the incredible strength, love, and dedication of all the dads in our military community—whether you're deployed overseas, working hard here in Okinawa, or supporting your family as a stay-at-home parent while your partner serves.

Military fatherhood takes many forms. You might be in uniform, leading by example. You might be the steady rock at home, managing responsibilities and providing stability during challenging times. Or maybe you're doing both—balancing service and family with devotion.

Whatever your role, your commitment never goes unnoticed. To all our military dads: thank you for your sacrifices, your unwavering support, and the countless ways you show up for your children and community every day.

Don't forget to check out all the amazing events and activities MCCS has planned to celebrate Father's Day—there's something for every dad to enjoy!
