Martial Arts Class Descriptions

OKINAWAN KENPO KARATE

Okinawan Kenpo Karate is a traditional martial art originating from Okinawa, Japan, known for its practical self-defense techniques, strong stances, and powerful strikes. It emphasizes a balance between offensive and defensive movements, incorporating punches, kicks, blocks, joint locks, and throws. Rooted in ancient Okinawan fighting traditions, Kenpo Karate also includes kata (pre-arranged forms) to preserve techniques and principles. Unlike sport-oriented karate styles, Okinawan Kenpo focuses on real-world application and self-improvement, blending hard and soft techniques for efficiency in combat.

Youth: 6-17 Adult: 18+

BRAZILIAN JIU-JITSU

Also known as "The Gentle Art", BJJ is a grappling martial art that allows an individual to successfully defend themselves and prevail against a bigger and stronger opponent through the use of leverage-based techniques. These techniques include take-downs, joint locks, and strangle holds. The general aim of a BJJ practitioner is to take an opponent to the ground, establish a dominant position of control, and then force the opponent to concede by applying a joint lock or strangle hold. BJJ is unique among martial arts in that it allows an opponent to be soundly defeated without causing injury.

Age limits vary by instructor/location.

ISSHIN RYU

Isshin-Ryu stresses close-in techniques necessary for self-protection. Unlike most Karate styles, the Isshin-Ryu punch has the fist in a vertical position, rather than palm-down. You will learn a combination of Karate and Kobudu. The class incorporates eight different Empty Hand Kata (a choreographed series of movements) as well as weapons. As in most martial arts, mind and body play a major role in developing patience, self-control, and spiritual stability, especially when developing these skills to improve focus and concentration.

Youth classes open to ages 8-15 years old & ages 5-7 years old with Sensei approval.

SETKUDO MIXED MARTIAL ARTS

Setkudo Mixed Martial Arts was founded by Master Hirahara in 1992. Hirahara Sensei has 6 black belts and over 44 years of martial arts experience. This class is a blend of Kickboxing, Muay Thai, Karate, and Capoeira. Classes for adults (16+) and youth (6*-15).

*Children ages 3-5 may only participate with a parent (both child and parent need to enroll as students).

KOBUDO KARATE

Kobudo is the traditional Okinawan martial art that focuses on the use of ancient weapons. Deeply rooted in the island's rich history of self-defense and discipline, Kobudo originated from the resourcefulness of Okinawan farmers and fishermen who repurposed everyday tools—such as the bo, sai, and nunchaku—into effective instruments of protection.

More than a method of combat, Kobudo represents a living tradition, passed down through generations. It embodies the enduring spirit, philosophy, and resilience of Okinawa, offering practitioners a profound connection to the island's cultural heritage.
