MARINE CORPS INSTALLATIONS PACIFIC-MCB CAMP BUTLER ORDER 1710.1B

From: Commanding General, Marine Corps Installations Pacific-MCB Camp Butler
To: Distribution List

Subj: COMBINED COMMANDING GENERAL'S CUP INTRAMURAL SPORTS
PROGRAM

Encl: (1) Program Overview
(2) Team Eligibility
(3) Player Eligibility
(4) Run Event Eligibility
(5) Team/Player Conduct

1. Situation. This Order establishes policy, responsibilities, and procedures for the Combined Commanding General's (CG) Cup Intramural Sports Program aboard Marine Corps Installations Pacific-MCB Camp Butler (MCIPAC-MCBB).

2. Cancellation. MCIPAC-MCBBO 1710.1A.

3. Mission. To conduct a comprehensive intramural sports program that promotes unit cohesion, esprit de corps, and physical readiness through structured competitive and recreational sports.

4. Execution. The Director, Marine Corps Community Services (MCCS) Division, MCIPAC-MCBB will assume cognizance of this program and conduct it per this Order and its enclosures. Commanders are requested to encourage program participation commensurate with operational commitments.

5. Administration and Logistics. Point of contact for this Order is the Chief of Semper Fit, DSN: 645-7286.

6. Command and Signal

a. Command. This Order is applicable to members of the U.S. Armed Forces, dependents, host nation employees, and members of the civilian component assigned to MCIPAC-MCBB commands in Okinawa, Japan.

MCIPAC-MCBBO 1710.1B
28 MAY 2026

b. Signal. This Order is effective the date signed.

B. N. WOLFORD

DISTRIBUTION: List C

PROGRAM OVERVIEW

1. The Combined CG Cup Intramural Sports Program provides the maximum number of Marines, regardless of athletic ability, the opportunity to participate in organized intramural sports.
2. The program is designed to foster loyalty, esprit de corps, and leadership by promoting competitive athletic activities among units across the installation.
3. Participation is extended to host-nation base employees; self-sponsored Department of War (DoW) Status of Forces Agreement (SOFA) civilians and their dependents; and dependents of active duty Marine and Navy personnel assigned to, or attached with, eligible unit teams.
4. The intramural sports program consists of two divisions and run events:
 - a. Camp Commander's (CC) Cup Division. Conducted in a consolidated camp format.
 - (1) The southern camps/station (Camps Foster, Kinser, and Marine Corps Air Station Futenma) will be consolidated into a single Southern CC Cup tournament.
 - (2) The northern camps (Camps Courtney, Hansen, and Schwab) will be consolidated into a single Northern CC Cup tournament.
 - (3) Due to logistical and support considerations, the hosting camp/station for each monthly tournament will be designated on the consolidated CC/CG sports calendar published by the MCCA Semper Fit Adult Sports Office.
 - b. Combined CG Cup Division. Conducted by the MCCA Semper Fit Adult Sports Office and serves as the championship level for teams advancing from CC Cup competitions.
 - c. Run Events. Run events (e.g., 5K, 10K, endurance runs, and other timed races) are installation-wide competitions conducted as scheduled. Run events do not require separate Southern CC, Northern CC, or Combined CG Cup races. Instead, a single installation-wide run event will award points simultaneously to Southern CC Cup standings, Northern CC Cup standings, and Combined CG Cup standings in accordance with paragraph 11e.
5. Combined CG Cup competitions will be conducted quarterly. One or more events will occur each month within the quarter, during which eligible teams will earn participation and final standing points. The unit with the highest cumulative points at year's end will be awarded the Combined CG Cup trophy.
6. The Combined CG Cup trophy will be presented annually to the eligible unit with the highest point total in the Combined CG Cup division. The CC Cup trophy will be presented quarterly to

the eligible unit with the highest point total in the CC Cup division. Quarterly periods are: January - March; April - June; July - September; and October - December.

a. The MCCA Semper Fit Adult Sports Office will coordinate trophy presentation ceremonies with the respective installation.

b. The CC Cup trophy will be presented by the hosting camp/station or designated representative.

c. The MCCA Semper Fit Adult Sports Office will formally request the CG, or a designated senior leadership representative, to present the annual Combined CG Cup trophy as standard operating procedure.

7. Basic criteria for the Combined CG Cup Intramural Sports Program are as follows:

a. Teams will represent battalions, squadrons, or companies as identified on the list of eligible units. The respective installation commander and MCCA Adult Sports Director will determine the eligible units for each camp/station.

b. The MCCA Semper Fit Adult Sports Office will maintain and update the list of eligible units.

c. Installation Commanders may modify the list of eligible units at any time.

d. Changes to the list of eligible units will not take effect until completion of the sport/month currently in progress.

e. Issues regarding the administration or format of CC and CG Cup competitions will not be addressed prior to or during the month of competition. Proposed revisions may be submitted to the MCCA Adult Sports Office following the tournament for consideration during the annual review of the order.

f. Eligible units for any camp/station will not exceed battalion or squadron size. The list of eligible units will be published by separate correspondence.

8. Participants in both CC and CG Cup competitions are limited to: active duty Marine and Navy personnel attached to eligible units; SOFA dependents of active duty Marine and Navy personnel; self-sponsored DoW SOFA civilians and their dependents; and host-nation base employees. Player eligibility is further detailed in enclosure (3).

9. Criteria for awarding place standing and participation points during CC and CG Cup events are as follows:

a. CC Cup competitions will be hosted monthly by one southern camp/station and one northern camp, in accordance with the consolidated CC/CG Cup schedule.

b. The MCCA Semper Fit Adult Sports Office will maintain place standings and participation points for both consolidated regions. Points will be awarded based on each eligible unit's participation in the CC Cup tournament.

(1) Following the final tournament of each quarter, MCCA will tally place standing and participation points.

(2) MCCA will notify the camp/station whose eligible unit is to receive the quarterly CC Cup trophy for the northern and southern regions.

c. The CC Cup Program awards points for both place standings and participation.

d. Place standing points will be awarded to the top five primary teams in CC/CG Cup competition.

e. All primary teams competing in CC Cup competitions will earn participation points regardless of final standing.

f. Secondary teams will not earn place standing or participation points but may compete for team and individual awards.

g. Only primary teams, designated by the unit commander, are eligible for points. Primary teams must consist of personnel attached to or affiliated with the eligible unit. Each eligible unit may designate only one primary team. Team eligibility is further detailed in enclosure (2).

h. All other teams representing an eligible unit will be designated as secondary teams.

i. Combined place standing and participation points will determine the quarterly CC Cup winner.

j. The top eight overall teams from CC Cup competitions will advance to the Combined CG Cup competitions.

10. Combined CG Cup competitions will be conducted following completion of CC Cup competitions. MCCA Semper Fit Adult Sports Office will host the CG Cup at a location designated by the MCCA Adult Sports Director.

a. The Combined CG Cup will consist of the top eight teams from the consolidated northern and southern CC Cup competitions.

- b. The top five primary teams placing first through fifth in the Combined CG Cup will earn points toward the annual Combined CG Cup trophy.
 - c. All primary teams competing in the Combined CG Cup Championship will earn participation points toward the annual Combined CG Cup trophy.
 - d. Combined place standing and participation points will determine the annual Combined CG Cup winner.
11. Participation and final place standing points will be awarded to primary teams as follows:
- a. Participation Points (each primary team): 10
 - b. Tournament Final Place Standings:
 - (1) 1st Place: 10 Points
 - (2) 2nd Place: 6 Points
 - (3) 3rd Place: 4 Points
 - (4) 4th Place: 3 Points
 - (5) 5th Place: 2 Points
 - c. Awarding final place standing points may not necessarily coincide with the actual final tournament standings of a primary team.
 - d. Eligible units will receive a one-time 3-point leadership participation bonus per tournament if any senior leader (commanding officer, executive officer, or sergeant major) participates in the event. Only one bonus may be awarded per eligible unit per tournament, regardless of the number of leaders participating. This bonus applies to both CC Cup and Combined CG Cup competitions and will be recorded as a separate bonus category, distinct from participation points and place standing points.
 - e. Scoring for Run Events. Run events are installation-wide timed competitions that contribute points to Southern CC Cup standings, Northern CC Cup standings, and Combined CG Cup standings. Scoring will be applied as follows:
 - (1) Division-Specific Ranking
 - (a) Southern units will be ranked only against other southern units for Southern CC Cup points.

(b) Northern units will be ranked only against other northern units for Northern CC Cup points.

(c) All units will be ranked collectively for Combined CG Cup points.

(2) Participation Points. Participation points will be awarded to each unit based on the number of eligible runners who complete the event. Participation points will be applied separately to Southern CC, Northern CC, and CG Cup standings.

(a) 1-5 Finishers: 5 Points

(b) 6-10 Finishers: 7 Points

(c) 11 or more Finishers: 10 Points

(3) Performance Points. Performance points will be awarded to the top five finishers within each division. Southern CC performance points are awarded based on the top five southern finishers. Northern CC performance points are awarded based on the top five northern finishers. CG Cup performance points are awarded based on the top five overall finishers.

(a) 1st Place: 10 Points

(b) 2nd Place: 6 Points

(c) 3rd Place: 4 Points

(d) 4th Place: 3 Points

(e) 5th Place: 2 Points

(4) Leadership Participation Bonus. The leadership participation bonus described in paragraph 11d. applies to run events and will be awarded separately to Southern CC, Northern CC, and CG Cup standings.

(5) Primary Team Definition for Run Events. For run events, the “primary team” is defined as all eligible runners representing that unit. Secondary teams do not apply to run events.

(6) Advancement. Run event results contribute to CC Cup standings and therefore influence which units qualify for the Combined CG Cup competitions. Run events do not require advancement brackets.

12. Competitions for both the Combined CG Cup and CC Cup will be conducted in a double-elimination format unless otherwise specified. Run events are conducted as individual timed competitions and are not subject to double-elimination format.

TEAM ELIGIBILITY

1. The MCCS Semper Fit Adult Sports Office contains the official list of battalions, squadrons, and companies eligible to enter a team and compete for points in the Combined CG Cup and CC Cup competitions.
2. All future references to “unit/organization” pertain to those units identified as eligible.
3. Units/organizations will participate only at the camp/station where they are listed as eligible.
4. Eligible commands may enter any number of teams in a sport.
5. When a unit/organization enters multiple teams in a single sport, only one team will compete for Combined CG Cup and/or CC Cup points.
 - a. This team will be designated as the “Primary” team by marking “Primary” on the “Entry Type” line of the Official Entry Form.
 - b. The Primary team will be composed of personnel assigned to or affiliated with that eligible unit.
 - c. All additional teams will be designated as “Secondary” teams and will be marked with the letters “B,” “C,” and so forth on the “Entry Type” line of their entry forms.
 - d. Secondary teams may compete for camp/station championships and awards but are not eligible to earn CC/CG Cup points.
 - e. If a Secondary team places in a position normally awarded points, tournament results will be adjusted by removing all Secondary teams from consideration and awarding points to the top eligible Primary teams.
 - f. If ties result from this adjustment, each Primary team involved in the tie will receive the same number of standings points normally awarded for that position.
6. Eligible commands will enter scheduled sports by submitting an Official Entry Form to their camp/station athletic facility. The commanding officer (CO) will sign the Official Entry Form for all Primary and Secondary teams. In the absence of the CO, the executive officer (XO) may sign the form.
 - a. To be recognized as an official entrant in CC and CG Cup competitions, the following documentation must be submitted to the MCCS Sports Coordinator aboard the respective camp/station by the published deadline:

(1) Official Entry Form

(2) Team Roster

(3) Unit Alpha Roster or Marine Online (MOL) Unit Morning Report

(4) Official Orders or Letter of Employment

b. If a team withdraws from CC or CG Cup competition prior to the start of the event, the team may not seek reinstatement once the competitor field and tournament schedule have been published.

PLAYER ELIGIBILITY

1. Player participation eligibility falls into the following categories:

a. Active Duty Personnel. Active duty personnel assigned to eligible Marine Corps commands may only play for the unit/organization to which they are officially attached. The unit's alpha roster, MOL Morning Report, or official orders will serve as verification of assignment.

(1) Reservists officially attached to an eligible unit may compete for that unit but must appear on the unit's alpha roster or provide official orders confirming attachment.

(2) If a Reservist becomes detached from their eligible unit but resides on Okinawa as a self-sponsored SOFA civilian or DoW dependent, their eligibility will be governed by subparagraphs 1b or 1e.

b. Dependents of Eligible Active Duty Personnel. Sponsored dependents listed on their sponsor's orders will play for the sponsor's command.

c. Self-Sponsored SOFA Civilians and Dependents. These individuals will play for the unit at which they or their sponsor work.

d. Local National Base Employees. Local national employees will play for the unit at which they work.

e. Spouses of Active Duty Marines. Spouses will play for the unit to which the Marine is attached.

2. A person is eligible to play for either their unit/organization's Primary team or any of its Secondary teams.

a. A player may play for only one team during any scheduled sport.

b. Once a player appears on an official roster and the team begins an official game, the player is considered a legal member of that team, regardless of actual participation. The determining factor is the start of the game and the intent to participate.

c. Once a player has been rostered on a Secondary team, no player from that Secondary team may fill a vacancy on the Primary team during CC or CG Cup competition.

d. Once a player is rostered on either a Primary or Secondary team and that team has begun an official game, the player may not switch teams to fill a vacancy.

e. In team sports (softball, basketball, soccer, and flag football), a roster vacancy occurring after the start of competition may be filled by a member of the eligible unit who has not been rostered on any other team.

f. In individual sports (bowling and golf), rosters are frozen once competition begins. Vacancies may not be filled, and teams will proceed in accordance with the sport-specific by-laws.

3. The following special situations apply:

a. Personnel assigned to extended work details (e.g., augmentees to MCCS, mess duty) remain assigned to their parent unit/organization and will play for that unit.

b. If a person is assigned to work at a different installation but has not officially transferred, they may play for their parent unit/organization or as a “Roster Exempt Player” (REP) at the installation where they are currently assigned.

c. Personnel not stationed with their parent unit/organization may choose to play with their parent unit or with a unit at the camp/station where they are assigned.

d. Individuals choosing to play with their parent unit/organization must do so for the duration of the sport, regardless of circumstances, and must comply with the eligibility provisions of paragraph 2b.

e. Individuals choosing to play at the installation where they are assigned will be placed on a team aboard that camp/station.

(1) REPs will not count against roster limits for team sports (basketball, flag football, soccer, softball).

(2) REPs will count against roster limits for individual sports (bowling, golf).

(3) REPs will be listed on the roster and annotated “REP” in the left-hand margin. The installation MCCS Adult Sports Director will maintain an independent list of REPs for tracking and cross-reference.

(4) When assigning a REP, the MCCS Semper Fit Adult Sports Office will conduct a blind draw among all officially entered teams, excluding teams that already have a REP.

(5) A team assigned a REP will not be eligible for another REP until all teams have received one.

(6) An individual may be assigned as a REP only once. If the player does not participate with the team to which they were assigned, the player will not participate for any team, and the assigned team will not receive another REP.

(7) Once all teams have been assigned a REP, all teams will be returned to the blind draw pool, and the assignment process will begin again.

4. The following criteria apply to teams and coaches who fail to comply with player eligibility rules:

a. Any team discovered to have played, or to be currently playing, with an illegal player will forfeit out of the competition.

b. Discovery of an illegal player may occur through an opposing team's protest or through roster verification conducted by the tournament director or MCCS staff. All players must possess a DoW identification card during participation.

c. Regardless of how, when, where, or by whom the illegal player is discovered, the penalty is forfeiture from the competition.

RUN EVENT ELIGIBILITY

1. Eligibility for participation in run events will follow the player eligibility requirements outlined in enclosure (3). The following additional provisions apply specifically to run events:

a. Unit Representation. All runners will represent the eligible unit to which they are assigned in accordance with established player eligibility criteria. Run events do not utilize Primary or Secondary team designations; all eligible runners for a unit collectively constitute the unit's Primary team for run scoring purposes.

b. Roster Submission. Units will submit a Run Participation Roster to the MCCA Semper Fit Adult Sports Office by the published deadline. Only individuals listed on the roster will be authorized to participate and earn points for their unit.

c. Identification Requirement. All runners will possess valid identification (DoW identification card, SOFA card, Local National employee badge, or Letter of Employment) during the event for eligibility verification.

d. Roster Exempt Players (REPs). REPs are eligible to participate in run events in accordance with REP assignment procedures. REPs will count toward participation points and may earn performance points for the unit to which they are assigned.

e. Leadership Participation. Senior leader participation (CO, XO, or sergeant major) will be verified at check-in and applied to run event scoring.

2. Run events are installation-wide competitions. Although all eligible participants run together, scoring will be applied separately to Southern CC Cup standings, Northern CC Cup standings, and Combined CG Cup standings.

3. Run events do not require advancement brackets. Participation and performance in run events contribute directly to monthly CC Cup standings and Combined CG Cup standings.

TEAM/PLAYER CONDUCT

1. The Combined CG's Cup Intramural Sports Program is intended to promote unit competition in an enjoyable, professional, and safe environment. Conduct that undermines this purpose will not be tolerated.
2. Team coaches are responsible for the overall conduct of their players, team personnel, and spectators.
 - a. Failure of coaches to properly supervise their personnel before, during, or after any Combined CG or CC's Cup competition may result in penalties assessed against the coach, individual players, or the team. Penalty assessment is at the discretion of the tournament director.
 - b. Coaches are responsible for the conduct of their fans throughout the competition.
3. Coaches, players, teams, and spectators who engage in the following inappropriate behaviors are subject to ejection from a game/match or from the entire competition, depending on severity:
 - a. Questioning the integrity of an official through words, gestures, or actions.
 - b. Physically charging toward an official or player.
 - c. Using vulgar, profane, or unsportsmanlike remarks or gestures toward an official or player.
 - d. Excessive demonstration of officiating signals or gestures indicating displeasure with officiating.
 - e. Continuous verbal remarks directed at an official expressing dissatisfaction with officiating.
 - f. Using profanity or vulgarity; ridiculing, pointing, making obscene gestures; taunting; or baiting an opponent.
4. Any player or coach ejected from a game/match for unsportsmanlike conduct will also be suspended for the next scheduled game/match.
 - a. A second ejection of the same individual for unsportsmanlike conduct will result in automatic expulsion for the remainder of the competition for that sport, including the Combined CG Cup competition if the team advances.
 - b. Coaches, players, or spectators who are ejected must leave the playing area, including the stands. Failure to comply within a reasonable time, as determined by the tournament director or MCCS representative, may result in the team forfeiting the game/match.

c. The tournament director has authority to eject coaches, players, or spectators for acts of unsportsmanlike conduct at any time.

5. Coaches are responsible for ensuring their teams comply with all rules and regulations established in this order and the applicable sport rulebook. Failure to comply, particularly regarding player eligibility, may result in penalties against the coach, player, and/or team.

6. Following a team forfeiture, the tournament director or designated representative will adjust the tournament brackets accordingly.

a. Only the tournament director or designated representative may adjust game/match schedules.

b. Tournament brackets will not be adjusted in a manner that requires single or multiple games/matches to be replayed.

c. The tournament will not be restarted; it will continue from the point at which the forfeiture occurred.

7. The following policies govern alcohol consumption at Combined CG and CC Cup competitions:

a. Team members and spectators are prohibited from possessing glass containers at any competition. If glass containers are discovered, the tournament director will direct their removal. Failure to comply may result in further action at the tournament director's discretion.

b. Hard liquor is prohibited at all competitions.

c. Installation Commanders will establish policies concerning alcohol consumption at sporting events within their respective camps/stations, including enforcement of subparagraphs 7a and 7b.

d. Alcohol is not permitted in team bench areas or on the playing field/court and will not be consumed by any team member during competition.

e. If, in the judgment of game officials or MCCS staff, a player appears to be under the influence of alcohol and is disruptive, belligerent, or poses a hazard to themselves or others, the player will be ejected.

f. Ejections related to alcohol will be treated as ejections for misconduct, and the suspension and expulsion provisions of paragraph 4 will apply.

g. The use of tobacco products, electronic cigarettes, personal vaporizers, or electronic nicotine delivery systems is prohibited on the playing field and in team bench areas.

8. Protests will not be permitted. All disputes will be resolved on site by the official and/or tournament director.
9. During competition, only a team's captain or designated representative may approach game officials or the tournament director to discuss matters pertaining to the tournament.
