**Marine Corps Base Camp Butler Okinawa, Japan**

---

Current Edition March 2026

# PURPOSE

---

## WHY TAKE THIS CLASS?

Numerous surveys have confirmed that by providing personalized relocation support to Service Members and their families, they are more likely to have a positive moving experience, adjust faster to their new homes/base and provide for happier and more productive Marines/Sailors on the job. Today's information is designed to give each of you the tools, resources and incentive to be an effective and successful sponsor.

## WHAT IS A SPONSOR?

Sponsors are appointed by the command or may volunteer for the role. They are matched to newcomers based on marital status, job specialty, and rank/grade to ensure the best fit. Once assigned, the sponsor provides a warm welcome and essential support to personnel relocating to Okinawa. This includes offering reliable information, helping the newcomer settle in, introducing them to unit members, and familiarizing them with the base and local community.

### Effective Sponsorship Overview

#### Sponsor Expectations

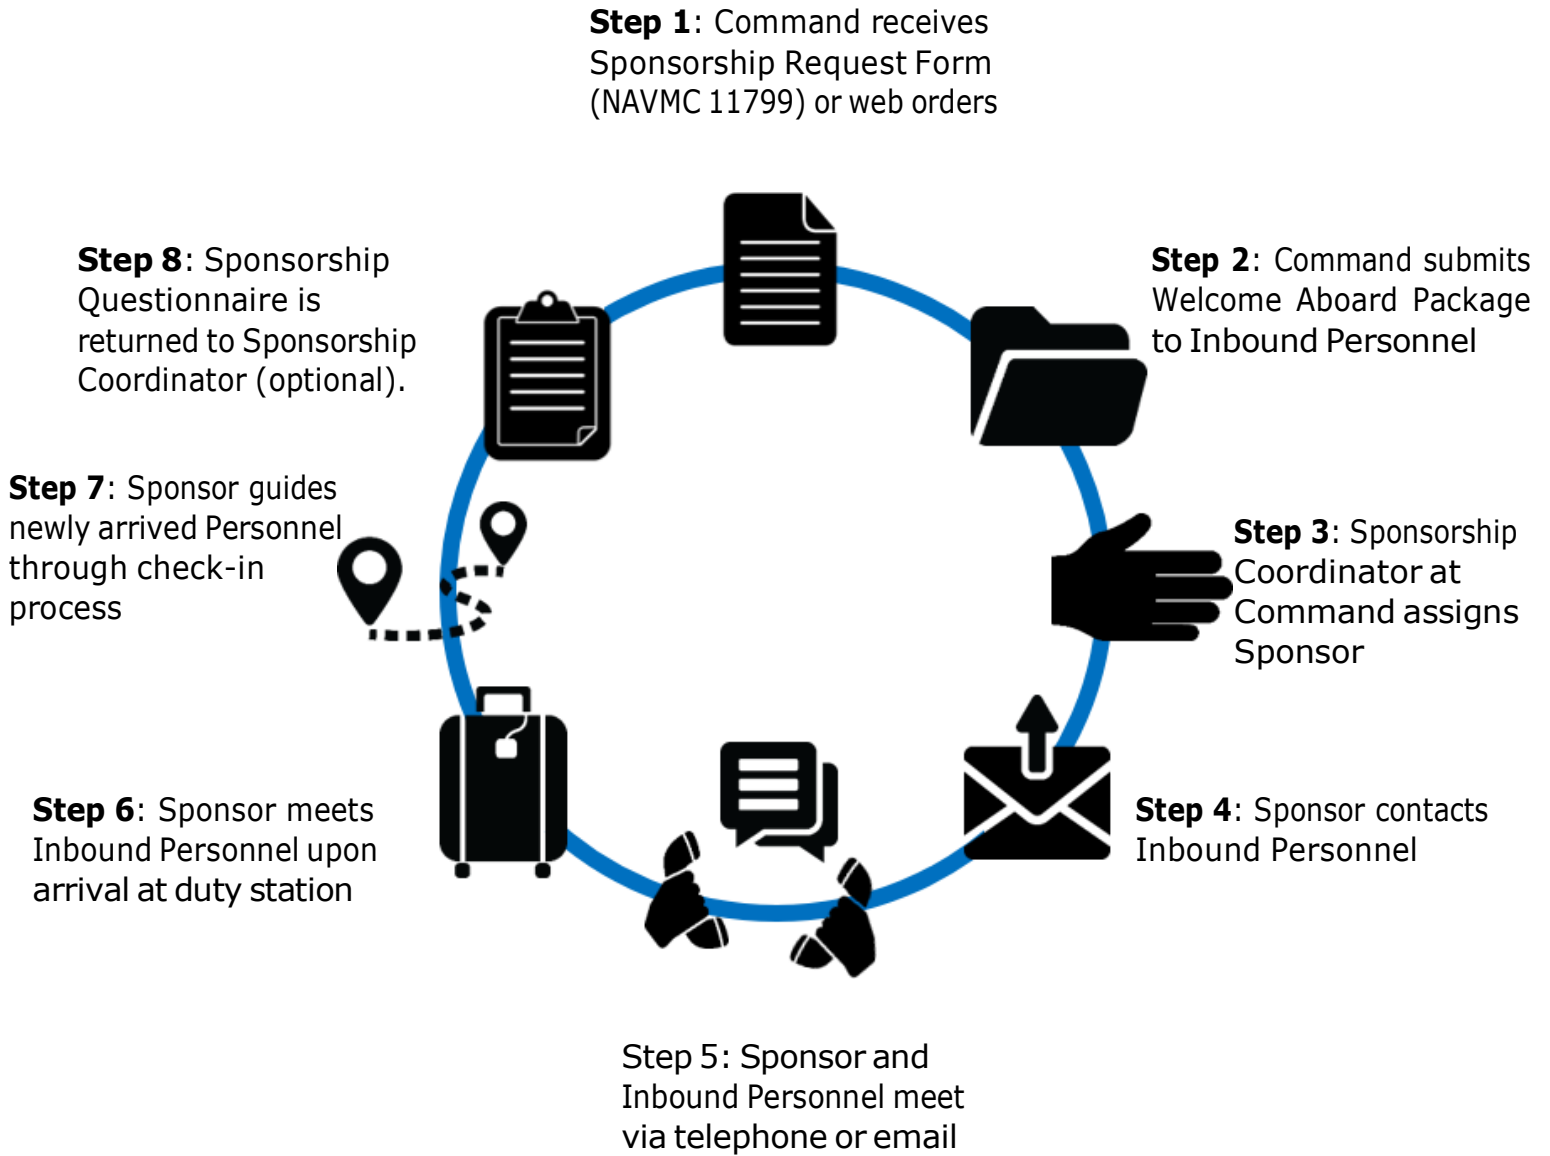

- Create a positive first impression by being welcoming, approachable, and proactive.
- Maintain personal contact to help the newcomer feel connected and supported.
- Be trained, motivated, and prepared to guide the newcomer through their transition.
- Facilitate a smooth adjustment by anticipating needs and offering clear information.
- Assess newcomer and family needs to ensure the entire household is supported.
- Designate a backup sponsor to maintain continuity during emergencies or TAD.

#### Communication and Support Standards

- Respond within 24 hours to calls, messages, or emails to build trust and reliability.
- Listen actively and provide space for the newcomer to express concerns or questions.
- Help identify needs by asking guiding questions when the newcomer is unsure.

### GOVERNMENT HOUSING INFORMATION

Family Housing Office: 634 - 0582

---

- Eligibility: Military personnel with accompanied orders, area clearance, and command-sponsored family members are eligible for on-base housing.
- DoD civilian employees on the Key and Essential Personnel List may contact the Kadena Military Family Housing Office to confirm eligibility and apply.
- Kadena Housing Office website: [www.housing.af.mil/Home/Units/Okinawa](http://www.housing.af.mil/Home/Units/Okinawa)
- Accompanying family members must have dependency status, command sponsorship/area clearance, and reside with the sponsor for at least nine consecutive months each year.
- For non-concurrent travel, an itinerary showing family arrival within 45 days is required before an official housing offer can be made.
- Members submitting an advance housing application (DD 1746) and orders will be placed on the waiting list by rank and family size; the application activates only after in-person check-in with endorsed orders and area clearance.
- The control date is the date the housing office receives all required documents.
- Families with special needs (e.g., wheelchair, mobility aids, other disabilities) must contact the Kadena Housing Office as early as possible, as not all needs can be accommodated overseas.

#### **WAITING LIST**

- Determined by date priority.
- Due to ongoing issues, assignment of government housing may exceed the normal 10-day window for assignment to Military Family Housing.
- Current mandatory policy requires authorized personnel to reside on base; however, if sufficient inventory is unavailable, they will be authorized to reside in the local community.
- Contact Kadena Military Family Housing office for waiting times.

#### **ON - BASE & OFF - BASE**

- Heavy or oversized furniture is not recommended, as both on-base and off-base housing is typically smaller than stateside homes.
- On base quarters include a stove, refrigerator, dishwasher, and electric washer and dryer.
- Command-sponsored families living off-base may receive a conventional oven, American stove, refrigerator, and a Japanese-style washer and dryer, depending on availability.
- Because of Okinawa's high humidity, bringing or purchasing a dehumidifier is strongly recommended.
- Temporary loaner furniture is available for up to 90 days for command-sponsored accompanied personnel if household goods have not yet arrived.
- Linens and televisions are not provided; place essential items in your express shipment so they are available immediately upon arrival.

## PRE - ARRIVAL CONT.

To be approved to move off-post, occupancy in your grade (rank) and entitlement (bedrooms) must be at or above 90% in both your primary and secondary assignment locations. Your command must concur with the move and the relocation considered a convenient move and the cost associated is not funded.
