

Open Water Diver

Scuba Certification Process

E-learning (online study at your own pace)

After that meet with your instructor to finish your training which will consist of:

Academic review and gear issue

2-3 Pool training sessions

4 Ocean dives

Follow these 4 easy steps to get certified!

1. Purchase the e-learning in person at Tsunami.
2. Enroll in the *completion course either now or later.
3. Complete the e-Learning course at your own pace.
4. Work with your instructor to complete your training

OPEN WATER DIVER e-Learning \$159.00 (in-store price only)

Completion Course *\$199.00

Total \$358.00

You can pay for both now, or simply purchase the e-learning to get started and register for the completion course later.

You can also add Nitrox for \$139 (normally \$179.00)

> register now

Register for e-Learning now, see staff for details.

Completion course includes: logbook, student file, rental gear and all confined and open water pool sessions. Mask, snorkel, fins and boots **not included. NO Refunds on activated E-learning codes.*

PADI eLearning™

WHY E-LEARNING?

The Tsunami e-learning program allows you start your scuba class from the comfort of your own home, and on your own schedule.

Downloadable course content replaces bulky textbooks. The interactive materials keep you engaged and present the course in a fun and easy to learn format.

Getting deployed?

No problem! Once you sign up for e-learning it's yours forever. It's easily transferable to any PADI dive shop wherever you may be going.

Why spend hours sitting in the classroom when you can do e-learning at your own pace?

Prices, availability may vary. Contact shop for latest info.
