

**USGA RULES SHALL APPLY WITH LOCAL EXCEPTIONS**

**Jungle Rule:** Jungle areas are considered red penalty areas unless otherwise marked. The margin is determined by the "unmowed" area that borders the jungle.

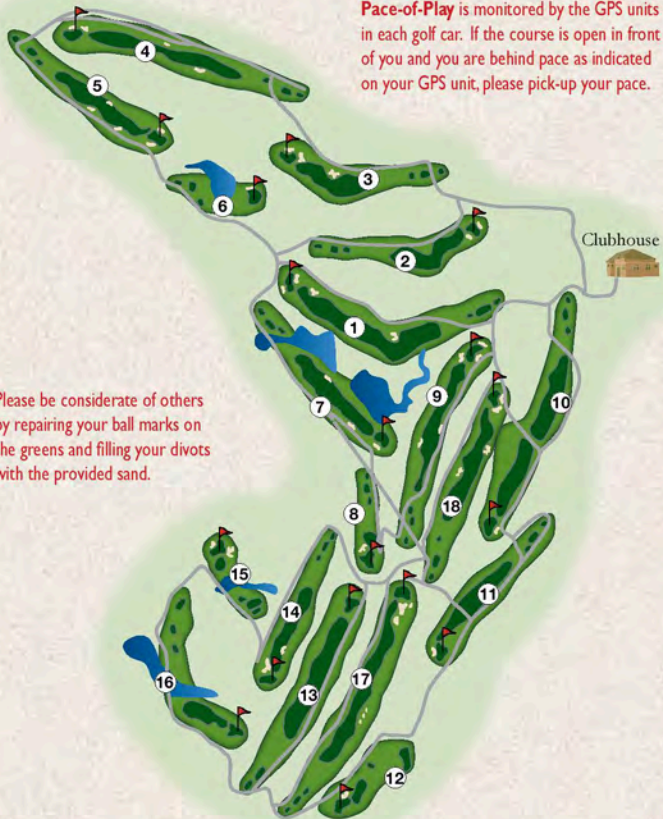

**Drop Zones:** If a ball is in or it is known or virtually certain that it came to rest in a penalty area on holes #6, #12, #15 and #16, the player may: (i) proceed under Rule 17.1 or (ii) drop a ball, under penalty of one stroke, in the drop zone defined by the yellow tee markers located nearer the hole. Note: The yellow tee markers are only considered drop zones for the aforementioned holes. Yellow tee markers on other holes are not covered under this local rule.

**Out-of-Bounds:** Areas marked by white stakes and boundary fences are considered to be out-of-bounds. The white safety fences on #7 and #9 are considered obstructions, not boundary fences.

**Steep Slopes:** The steep slopes outside of Penalty Areas on the perimeter of most holes were never intended to be in play and have thick plastic or metal erosion control netting and anchor stakes embedded in them. Putting safety first, all of those steep slopes are considered to be obstructions. For clarifications, please refer to the posted local rules sheet.

**Pace-of-Play** is monitored by the GPS units in each golf car. If the course is open in front of you and you are behind pace as indicated on your GPS unit, please pick-up your pace.

Please be considerate of others by repairing your ball marks on the greens and filling your divots with the provided sand.
