MCCS Okinawa branch library

Created specifically for middle-schoolers, *Research in Context* combines the best of Gale's reference content with age-appropriate videos, newspapers, magazines, primary sources, and much more. Students will find outstanding support to complete assignments in core subjects including literature, science, social studies, and history.

*Student Resources In Context* is an engaging online experience for those seeking contextual information on a wide array of subjects. The solution merges Gale's authoritative and continuously updated reference content with full-text magazines, academic journals, news articles, primary source documents, images, videos, audio files and links to vetted websites organized into a user-friendly portal experience.
