## **New Parent Support Program**

### **Parents in Uniform**

There are many challenges related to being a military parent. This is a small, group-based class offered to parents at any stage of pregnancy. We recommend taking it earlier rather than later in the pregnancy, as we cover Marine Corps policies related to becoming a parent—housing information, legal requirements, community resources, leave policy, on-island childcare options, DEERS, and other family readiness issues.

**12 June**

**1430-1630**

**Camp Foster**

**WestPac Inn**

### **Baby Boot Camp**

This class will provide helpful information on caring for your baby from birth through the first months after delivery. It discusses home, car, and crib safety, how to diaper, bathe, and soothe your baby, as well as feeding and breastfeeding. Also included is information on self-care, diet and nutrition, and baby health. At the end, prizes and giveaways are offered as well as resources that will help you transition to parenthood.

**16 June**

**0815-1630**

**Camp Foster**

**Bldg. 439**

### **Infant Massage Class**

Learn massage techniques that help with gas, colic, teething, congestion and regulating temperature. Infant Massage is a great way for both parents to connect and bond with baby and decreases the risk of Post-Partum Depression and promotes brain development.

**Every Thursday**

**1000-1130**

**Camp Foster**

**WestPac Inn**

### **Play Morning**

This interactive educational playgroup is offered to parents and their children under the age of six to assist parents in learning developmentally appropriate play techniques and help children improve their social, cognitive, language and motor skills. Registration required. For more information, please call at DSN: 645-0396 or 098-970-0396 (off base) or send us an e-mail at NPSPokinawa@usmc.mil.

**Every Wednesday**

**1000-1130**

**Camp Courtney**

**Bldg. 4408**

### **Parenting Support Group**

This group is designed to help parents: increase social connections, share experiences and parenting tips, discover new ideas for everyday challenges, and build friendships and support networks. Open to parents with children under 6 years old. Babies under 6 months are welcome to attend with their parents if needed.

**Every Tuesday**

**1100-1230**

**Camp Foster**

**Bldg. 440**

*The New Parent Support team consists of licensed professional counselors, social workers, and registered nurses with knowledge of the issues encountered by parents. Visit the MCCS NPSP webpage at: [www.mccsokinawa.com/npsp/](http://www.mccsokinawa.com/npsp/)*
