ABOUT BOOTS TO BUSINESS
THE ENTREPRENEURSHIP TRACK OF THE TRANSITION ASSISTANCE PROGRAM
Boots to Business is an entrepreneurial education and training program offered by the U.S. Small Business Administration (SBA) as a training track within the Department of Defense’s Transition Assistance Program (TAP). The curriculum provides valuable assistance to transitioning service members exploring business ownership or other self-employment opportunities by leading them through the key steps for evaluating business concepts and providing the foundational knowledge required to develop a business plan. In addition, participants are introduced to SBA resources available to help access start-up capital and additional technical assistance.

A TWO STEP PROGRAM
1) INTRODUCTION TO ENTREPRENEURSHIP TWO-DAY COURSE
