Please request a quote.**Policy:**

- Transportation services are provided to and reserved for, authorized Department of Defense customers and guests.
- Due to limitations of resources, all requests for transportation must be submitted no later than **5 business days** prior to date of service.
- Rates and transit times are calculated and determined by MCCS Motor Transportation Representatives and are non-negotiable. Times start and end at the Camp Foster Motor Pool.
- All requests are processed in the order received.
- Motor Transport reserves the right to decline/cancel requests due to unavailability of resources, weather, mission deviation or other unforeseen circumstances.
- Submission of this form does not constitute automatic scheduling of the request. A confirmation email will be provided upon securing of the required resources.
- Payment must be received in-full, no later than **24-hours** prior to the date(s) of the service being requested.
- Please notify Motor Transportation of any cancellations at least **24-hours** prior to date of requested service.
- Consumption of alcohol, use of tobacco products or vaping is not permitted aboard any MCCS vehicle.
- All passengers must remain seated and wear the provided seatbelt's while the vehicle is in motion.
- All waste or trash generated by guests must be removed and disposed of properly. Supplemental fees of \$50 or greater, may be charged for excessive cleanup required after the service.

I have read, agree and fully understand the policies outlined above:
