

MCCS CHILD & YOUTH PROGRAMS
FEE SCHEDULE
Effective 1 November 2025 (SY2025/26)

Our fees are based on established Department of Defense fee ranges for Fee Categories 1 through 12, using weekly rates for each category. Bi-monthly (1-15 Plan) options are available based on 52 weeks per calendar year

PAYMENTS ARE DUE on 1st and 15th.

* Bi-monthly Rate or 1-15 Plan = (Weekly Rate x 52 weeks) divided by 24 payments

* Standard Hourly Care Rate = \$8.00 per hour

* SAC Rates include Full Day Care on School Out Days

Fees are not reduced for absences or short-term emergency closures due to typhoons, utility outages, and air-conditioning repair.

*In-service days are accounted for into parent fees.

NOTE: Contractors do not qualify for subsidized child care, regardless of TFI.
